

React + Material UI Assessment

Task: using Material UI components (<https://mui.com/material-ui/all-components/>) develop in React this screen.

Link to Figma: <https://www.figma.com/file/OAvg1kRKbDFc0ty7UiPW7Z/Material-X?node-id=11202%3A442364&t=QeTOUzawKLzxEXDt-1>

No functionality, just static form. For validation use React Final Form.
